

InOMN Lunar Training September 16, 2015 6:30 – 8:30 PM Spring Canyon Swim Beach

International Observe the Moon Night (InOMN) is an annual world-wide public engagement program that encourages observation, appreciation, and understanding of our Moon and its connection to NASA planetary science and exploration. Everyone on Earth is invited to join the celebration by attending an InOMN event. As part of the 4th Annual Harvest Festival we will have FREE public telescope viewing of the daytime and night time sky!! From Noon to 2:00 PM and 6:30-8:30 PM we will explore the sky and view the sun, moon, and other planets.

Would you like to help out? Want to learn More about the Moon??? Then join local Astronomers and National Park Service Sky Rangers for the "InOMN Lunar Class 2015"-- an evening of learning and exploration. This FREE class is for those who want to learn more about astronomy and using telescopes. Bring your own telescopes, spotting scopes and binoculars if you have them.

Bring jackets or sweaters—it gets cool after dark!
